## Explanatory Notes

**Ref. N<sup>o</sup>:** A sequential reference number is required for each form of this type submitted by the Permit Holder (eg 001, 002, 003 etc). Where amendments are made to a previously submitted form, please use the same reference with a sequential revision number (eg 2005-003 Rev 1)

**Street address and other such description as may be required to clearly define the location.** A map clearly identifying the proposed location may be attached to this form.

**Earliest date the location would be used:** Approval must be requested before nuclear material is introduced into the new location. Approvals are typically granted with 7 working days.

**Signature:** This form must be signed by a representative of the permit holder (i.e. the organisation) who will take responsibility and sign documents on behalf of the organisation.
